

Quickly Find PowerPoint Slides on Specific Business Communication Topics

Three methods are useful for finding PowerPoint slides for your classes.

Method 1

Go to Bovee & Thill's Web Search:

<http://websearch.businesscommunicationnetwork.com/>

Step 1. In the box provided, enter the term you'd like to search.

Step 2. Click on "Filetype"

Step 3: Under Filetype Search Results, click on "Search Google for Microsoft PowerPoint Files."

Method 2

Use the special search parameters below on Google. For example, if you want to find PowerPoint slides on the topic of podcasting, this is way you should phrase the search:

podcasting filetype:ppt

Method 3

Use a PowerPoint search engine, such as the following:

SlideFinder
